Description The Pool Guys LLC is a Southeastern Michigan company specializing in pools, in-ground and above-ground, in regard to installation, opening, closing, maintenance, water chemistry, electrical, plumbing, landscaping and much more. If it has something to do with a pool, the Pool Guys can handle it.

Services

- **Opening Pools**
 - With the amount of experience and hands the Pool Guys has, the opening is quick and easy.
- **Closing Pools**
 - The experience of the Pool Guys means that your pool will be winterized completely without any issue.
- **Installation**
 - Whether you are looking to install an above-ground pool in a day, or an in-ground pool that will last a lifetime, the Pool Guys does it all.
- **Maintenance**
 - From cloudy water, to broken pumps and leaking pipes, if it can be fixed, the Pool Guys can do it.

Getting Scheduled

- With the Coronavirus pandemic putting a stop to much of the work that would be done early in the season, it is important to get scheduled to ensure your pool is taken care of.
- The Pool Guys will be increasing hours and commitment to ensure that your pool, and your neighbor's pool, are both looking as good as can be.
- Contact us to inquire about getting on the schedule, and getting your pool taken care of, as soon as possible.
